VISION

- *To transform educational spectrum by providing quality education resulting in the development of competent and conscientious human resource to face the emerging challenges at global level.*

MISSION

- *To promote and impart education to the masses with a cutting edge to compete with the best in the world through innovations, erudition, conviction and inquisition for upliftment of the educational scenario of the region.*
- *To impart greater upward mobility and broad vision and exposure by encouraging self-evaluation, accountability and autonomy in the institution along with providing access to latest technological infrastructure.*

From The Principal Desk.....

It's a moment of pride and pleasure that Bhaskar Degree College Udhampur is releasing its E-Newsletter for the academic session 2018-19. I feel proud to acknowledge the contribution of dynamic and multi- talented editorial board for making this happen.

The purpose of education is to bring out the best and developed capacity building among young hearts by pursuing academic pursuits and training the young minds too give out the best for their own excellence as well as of Alma matter. It reminds me the quote of Robert Frost

"The woods are lovely dark and deep but I have promises to keep and miles to go before I sleep, and miles to go before I sleep".

I once again wish the editorial board, faculty and students. My best wishes for this endeavor and desire to continue these efforts in future also.

Dr. S.K. Magotra
Principal

EDITORIALS

Dear Reader,

Warm Greetings to You!!

The editorial board is glad to release the second volume of E- News Letter. This issue will serve as a Year book for the students of the college. It will be a reflection of all the activities carried out during the session 2018-19. It focuses on the accomplishment of our young students.

The effort of every educator is to unlock the treasure and this institution is an excellent example where everyone strives persistently. This institution has been nurturing young minds for the past many years with the belief that “The heart of education is the education of the heart”.

This E- Newsletter is itself an institution which prepares its contributor to actively participate in whatever is going on around them which affects their lives.

We hope you will enjoy reading this edition of the college E-Newsletter and would give your valuable suggestion for the next issue.

The Editorial Board

College E- Newsletter is imminent part of college publication and we are glad to be a part of this wonderful publication. It was a learning experience for us. Doing new things everyday was the best part. It has enhanced our knowledge and the overall experience is indeed mesmerizing.

**THANK YOU!!
STUDENTS**
